WORK EXPERIENCE PROGRAMME:

LIMITED OPPORTUNITY TO HOST AN UNEMPLOYED YOUTH IN A TECHNICAL FIELD. **30% FUNDED**

To alleviate the youth unemployment challenges, the AIDC is offering companies an opportunity to host an unemployed youth in a technical field for a period of 24 months, for work experience. The stipend cost for 12 months will be 30% funded, thereafter the host company will cover the stipend.

The graduates will be sourced and shortlisted for the company as per the requirement.

To bridge the gap to the workplace, the graduates will be taken through a 5-week Work Readiness Programme, before commencing work, at no cost to the employer.
